-99790992/

## EDUCATION

### **Learners Guild, Oakland — Software Engineering Foundations**

April 2017 - February 2018

Learners guild is a 40-week intensive career incubator program for individuals seeking to be employed in a technical field

### **Cal State Bakersfield, Bakersfield — Coursework**

2010 - 2011

General Education, Computer Science, and Physics

## EXPERIENCE

### **Self employed, Nationwide — Merchandiser**

2012 - PRESENT

I run a small specialty business that caters specifically to comic book retailers. As a merchandiser I help lead logistics and display of merchandise at conventions across the U.S. as well as in brick and mortar establishments. During my time, my largest account was able to raise their regular subscription rate by x10.

### **Sierra South, Kernville, CA — River Guide**

JUNE 2006 - 2017

As a seasonal river guide on the Kern river for over a decade, I have managed many rescue and/or recovery efforts and help provide a more than favorable vacation experience for thousands of patrons. Many of which often becoming recurring customers. I have been an active contributor to many of the procedures that has helped the firm survive through good times and bad.

### **Starbucks, Bakersfield, CA — Barista**

2010 - 2012

Helped create a favorable customer experience for people needing their daily coffee fix by making sure the facilities were up to snuff and the that the caffeine always flowed.
